**FIRE DOOR FRAMES**

1. This approval relates to the manufacture of doorframes for use with specified CERTIFIRE approved fire doors. Subject to the undermentioned conditions, the doors when fitted in the frame and with hardware and seals specified in the door leaf certificate are designed to meet the requirements as detailed in the relevant certificates.
2. This certification is designed to demonstrate compliance of the product or system specifically with Approved Document B (England and Wales), Section D of the Technical Standards (Scotland), Technical Booklet E (N. Ireland). If compliance is required to other regulatory or guidance documents there may be additional considerations or conflict to be taken into account.'
3. All frames shall be manufactured in accordance with the frame specification as defined in the door data sheet having regard to the maximum sizes and configurations permitted under the door certification.
4. Processing is conducted in accordance with Newmor Group Limited procedures.
5. The process is approved on the basis of production surveillance under ISO 9001: 2008.
6. The approval relates to on-going production.
7. Approved frames carry a label identified with Newmor Group Limited's name and contact number, the CERTIFIRE name, or name and mark, together with the CERTIFIRE certificate number and a unique serial number.
8. Frames are additionally identified with the door reference from the contract door schedule in order that the frame may be matched with the door for which it has been designed.

A handwritten signature in black ink, appearing to be 'K. M.', written over a faint circular stamp.

### GLAZED APERTURES and DOOR FRAMES (Vicaima Limited)

1. This approval relates to the cutting of apertures with or without glazing in doors supplied by Vicaima Limited and to the manufacture of doorframes. Subject to the undermentioned conditions, the doors will meet the requirements as detailed in the relevant certificates.
2. This certification is designed to demonstrate compliance of the product or system specifically with Approved Document B (England and Wales), Section 2 of the Technical Standards (Scotland), Technical Booklet E (N. Ireland). If compliance is required to other regulatory or guidance documents there may be additional considerations or conflict to be taken into account.'
3. The certified doors for which the cutting of apertures, subsequent glazing thereof and provision of frames is approved are as following:

Vicaima Certificate Number	Timber Door Product	Aperture Cutting	Glazing of Apertures	Manufactur e of Frames	MDF Frames
CF218	FD30 'SDC'	✓	✓	✓	✓
CF285	FD30 Superior	✓	✓	✓	✓
CF454	FD60	✓	✓	✓	✓

**Note:** The scope of approval and field of application for the doors is contained in the above referenced certificates.

4. Apertures, glazing and frames shall be in accordance with Vicaima Limited construction specifications and data sheets for the above referenced products.
5. Processing is conducted in accordance with Vicaima Limited procedures.
6. The process is approved on the basis of on going certification of quality management system to ISO 9001:2008.
7. Inspection and surveillance of factory production control
8. The approval relates to on-going production.
9. Approved products carry both the original manufacturer's CERTIFIRE approval label and a second label identified with the processor's name and contact number, the CERTIFIRE name, or name and mark, together with the CERTIFIRE certificate number and a unique serial number.
